General rights

Copyright and moral rights for the publications made accessible in Discovery Research Portal are retained by the authors and/or other copyright owners and it is a condition of accessing publications that users recognise and abide by the legal requirements associated with these rights.

- Users may download and print one copy of any publication from Discovery Research Portal for the purpose of private study or research.
- You may not further distribute the material or use it for any profit-making activity or commercial gain.
- You may freely distribute the URL identifying the publication in the public portal.

Take down policy

If you believe that this document breaches copyright please contact us providing details, and we will remove access to the work immediately and investigate your claim.

Poll

Are you more likely to take part in citizen science in the future thanks to what you have learnt in this course?

Yes, more likely

About the same

No, less likely

Alternative Q:

Q1 This first question is for learners who took part in the first run of this course in November 2019. Did you take part in a citizen science project for the first time after enrolling on the first iteration of Citizen Science: How to make a difference?
